

KAYAKING COLLECTION

**ENJOY THE
RIDE**

**INVENTOR. INNOVATOR.
CHAMPION SURFER.
PERENNIAL KID.**

**MEET HOBIE ALTER.
THE HOBIE CAT® COMPANY'S
FOUNDING FATHER.**

Hobie's story starts on a sun-bleached Southern California beach in the late 1940s. Surfing was the underground thing and a wave-obsessed Hobie dreamt of combining his two loves, woodworking and surfing. He started by designing and building Balsa-cored surfboards in 1950 in his parents' Laguna Beach garage at the age of just 16, and by 1954 he had opened Hobie Surfboards—SoCal's first surf shop—in nearby Dana Point. Business was good, but Hobie's first serious breakthrough didn't come until 1958, when he and Gordon "Grubby" Clark built the world's first foam-and-fiberglass surfboards. Lighter, faster, and more maneuverable, these **revolutionary boards forever changed the sport** and put Hobie Surfboards on the map.

Sailing became Hobie's next obsession. Not the stuffy yacht-club variety, but high-speed, high-octane fun that could be enjoyed right off a beach. Employing construction methods honed in his surfboard shop, and studying various traditional

multihull designs, the Hobie 14, the world's first fiberglass "catamaran" was unleashed in 1968. This was followed in 1969 by the two-person Hobie 16, which is widely recognized as one of the most important sailboats of all time. Suddenly, high-speed sailing was accessible to everyone, and, thanks to company-organized regattas and now-infamous beach parties; a **Hobie lifestyle of fun, family and friends** was born. The slogan, "Have a Hobie Day" became a mantra.

Today, Hobie catamarans are as popular as ever but the story doesn't stop there. For the past 40 years we've been advancing design—and fun—in another direction: kayaks.

After carefully considering a kayaker's typical experience, we realized that the paddle was the sport's weak link. The breakthrough came in 1997 with a brilliantly simple yet truly

revolutionary idea. Instead of subjecting your arms to a trip to the gym, why not mount fins under the hull and connect them to your kayak via pedals? **The MirageDrive®**, as this pedal-powered design was dubbed, was a hit and was recognized by *Popular Science* magazine's "Best of What's New" award in 1998. Suddenly, kayakers could enjoy newfound speed, range and silence. Much like how the Hobie 16 exposed millions of people to the joys of high-speed multihull sailing, the MirageDrive has helped countless kayakers **have more fun on the water**.

Also in the mid-90s, we began angling for a new market, namely fishing. Compared to powerboats, **Hobie fishing kayaks are nearly silent, draw almost no water** (allowing users to enjoy skinny-water fishing haunts) and produce zero CO2 emissions or water pollution. Plus, the advent of the MirageDrive freed fishermen to focus on landing their catch, not their paddling. We now make several fishing-specific models, including the Outback, the Revolution® and the new Pro Angler. These boats—like all Hobie kayaks—are designed to meet NMMA certification requirements for flotation.

By the mid 2000s, new kayak models were coming online that fused two of our most successful innovations. The Adventure

Island, released in 2006, adds aka crossbars and ama floats and a sailing kit to a MirageDrive-powered kayak, creating a modern version of a traditional Polynesian sailing kayak. In 2010, we introduced our two-man version, the Tandem Island. These boats represent a special co-evolution between our history of designing and building the world's best-loved catamarans, and **our desire to create the most innovative and enjoyable kayaks afloat**.

The company's newest big idea involved combining the simplicity of an inflatable with the fun of a sailing rig and the ease of a MirageDrive. These inflatable kayaks, introduced in 2007, make kayaking easier, more accessible and infinitely more transportable. In fact, the same fun-minded DNA that made Hobie's first foam-and-fiberglass surfboards so successful is the exact genetic material that makes our kayaks the best ride on the water. Now, even more people can enjoy the Hobie lifestyle.

What's next? With the Hobie Cat Company this could be anything. But given our sixty-plus year history and our dedication to inventing, innovating and improving people's on-the-water experience, you can bet next summer's vacation that it will be big.

WHAT MAKES HOBIE KAYAKS *THE BEST RIDE*

Hobie's philosophy is simple: kayaking should be accessible, rewarding and—above all else—*fun*. This starts with how you power yourself through the water. For many kayakers, the chore of paddling for long hours can threaten their fun factor. Plus, paddle splashes can scare fish or birds and distract from your on-the-water experience. Why struggle to pull with your arms when it's faster—and way more efficient—to push with your legs? Hobie's team figured out a better solution: lose the paddle and start pedaling.

Hobie's MirageDrive® system combines the ease of walking with the fun of kayaking. The genius behind the MirageDrive's double-scissor action came from studying penguins, whose efficient fin stroke is a perfect solution to powering your kayak through the

water. Our clever design links a set of cockpit-mounted pedals to a pair of powerful underwater fins that are built out of a flexible, sturdy material. When pedaled, the fins flex to take on the shape of a propeller blade, powering you through the water as they scissor back and forth on both the front stroke and the backstroke.

Whether it's a friendly race back to the beach amongst friends or a full day of touring a new shoreline, the MirageDrive delivers snappy performance and all-day efficiency. But this is only one aspect of what makes kayaking, Hobie style, more fun. Here are some other features that make Hobie Kayaks the world's most enjoyable boats:

1. MOLDED CARRYING HANDLES

It's the details that count. Ergonomic handles fitted to stainless padeyes (bow and stern) make portaging easier and more comfortable.

2. LARGE COVERED BOW HATCH

Allows access to the bow's stowage compartment. A safety strap with a detachable clip tethers the hatch; abovedeck, Bungee® cords secure extra gear.

3. SAIL MOUNT

Add a sail and multiply your possibilities. The optional Mirage Sail Kit's mast securely attaches to a deck-mounted fitting. Enjoy added power without complication; Mirage Sail Kits make sailing fun and easy.

4. TWO-PIECE PADDLE WITH FIBERGLASS SHAFT

Tuck into rocky inlets and beaches with additional maneuverability. Or, go Old School and actually use it as a paddle. Docks on the hull via dedicated holders when pedaling.

6. MESH-COVERED STOWAGE POCKETS

Stash frequently used items in these handy and safe pockets. Never miss that photo op again!

7. CUP HOLDER

Hot, cold, or room temperature, we've got a perfect spot for your favorite beverage.

5. MIRAGEDRIVE

Hobie's MirageDrive was born of the theory that it's easier to push something with your legs (big muscles) than it is to pull something with your upper body (smaller muscles). On Hobie Mirage series kayaks, kayak paddles are included but not needed. Instead, two pedals, mounted on levers just forward of your seat, are attached to powerful underwater fins via the MirageDrive's sleek, lightweight design. When pedaled, these flexible fins assume the shape of a propeller blade, providing forward motion with each pedal stroke. And because the fin inverts its shape on the opposite backstroke, it's able to generate equal power on both sides (just like a good paddler), keeping the boat tracking evenly and moving at an efficient clip. Plus, the fins "feather" with water flow when they're not being used to reduce drag, and they can fold up flush against the hull for exploring skinny-water spots or for beaching. Simply slide the MirageDrive unit into its trunk, lock it in place with its "Click and Go" and you're off.

POWERED BY

HOBIE
MirageDrive®

8. TWIST AND SEAL HATCH

A corkscrew mechanism battens down this hatch, keeping items in the stowage compartment dry. The lid is permanently attached to the base via a hinge, so you don't have to worry about losing it when you're under way or camping.

9. MID-BOAT CARRYING HANDLES

These handles are molded into the rails on either side of the kayak's cockpit, making it easier to carry or launch your boat.

10. HIGH-BACK PADDED SEAT WITH INFLATABLE LUMBAR SUPPORT

Thick padding, easily adjusted straps, and a self-inflating lumbar support provide comfort and good posture...perfect for a comfortable ride.

11. FISHING ROD HOLDERS

These molded receptacles securely hold your rods and can accommodate a gaff, nets and other gear.

12. CARGO AREA

Long trips demand plenty of on-deck storage space. Bungee tie-downs ensure that it's still there when you get to camp.

13. TWIST AND STOW RUDDER

There when you need it, gone when you don't. To engage or disengage the retractable-rudder system, simply pull one of the T-shaped control handles. An easy-to-use, fingertip-operated rudder control is fitted near your left hand, making steering a snap.

MIRAGE SERIES

SPORT

Diverse groups and agendas demand diverse options, and the versatile Hobie Sport plays to all audiences. The key is its moveable seat, which can be placed fore or aft to accommodate kayakers of all heights and ability levels. Hobie's MirageDrive system is standard, and the boat's stable design facilitates a variety of activities, from a leisurely afternoon pedal to a relaxing evening of catching zephyrs using the optional Sail Package.

SPECS:

Length: 9' 7" / 2.92 m

Width: 29.5" / 0.75 m

MirageDrive Weight: 6.6 lbs / 3 kg

Hull Weight: 45 lbs / 20.41 kg

Capacity: 225 lbs / 102 kg

OPTIONAL FEATURES:

Sail package, Bimini, Dodger, Plug-in cart, Hobie eVolve™ powered by Torqeedo electric-motor kit.

- Mid-boat carrying handle
- Utility trays
- Adjustable high-back padded seat w/ inflatable lumbar support
- Rod holders
- Rear cargo area w/ Bungee tie-downs
- Carrying handle
- Twist and Stow rudder
- Meets NMMA certification requirements for flotation

MIRAGE SERIES

OUTBACK

Whether it's work or play, the Outback boasts the functionality, stability and utility to get the job done. A wide hull provides form stability, allowing you to cast—or reel in the big one—without rocking the boat. The Outback features plenty of cargo and stowage space, and, thanks to its MirageDrive system, your hands are free to tend to your photography, casting, or whatever else is on the day's "work list".

SPECS:

REVOLUTION®

Fun meets form and function. Whether you're in need of a nimble kayak, a floating SUV, or an all-out dragster for casually racing your friends, the Revolution is ready to play. Featuring a lightweight, low-drag hull shape, the Revolution is designed to accelerate quickly and maintain speed with minimal effort; abovedeck, it's designed for maximum hauling capacity. Three enclosed stowage spots (bow, midships and stern) and a generous stern cargo area facilitate everything from a quiet evening paddle to a multi-day adventure.

SPECS:

Length: 13' 5" / 4.09 m

WHY FISH FROM A HOBIE MIRAGE?

Simplicity. When you ditch the engine, you command the element of surprise; when you trade a heavy boat for a kayak, shallows and reefs become your casting grounds. Pedal instead of paddle and you free your hands to net your catch. Combine these factors and chances are spot-on that you'll be catching more fish—and having more fun doing it—than you ever thought possible.

Innovative, thoughtful design is at the core of every Hobie kayak: Rod holders where you want them; ample stowage and cargo space; comfortable, ergonomic seats and the ability to quickly and stealthily cover ground. Even with so many features standard, we recognize that customizing your boat is as important as customizing your tackle box. Hobie's Fishing Accessories line has a full compliment of fish-catching tools to help you tip the scales even more in your favor, and to ensure that your boat is *your* boat.

1A. ANCHOR KIT

Three-pound folding anchor, 60 feet of line and a storage bag. [Connect to Hobie Anchor Trolley Kit for best results.]

1B. STAKE-OUT POLE

Easily maintain your position in shallows and currents with Hobie's Stake-Out Pole. The fiberglass pole is equipped with a metal tip, a rubber grip and an attachment-line system. [Connect to Hobie Anchor Trolley Kit for best results.]

1C. DRIFT CHUTE

Cone-shaped sea anchor sets in the water to slow your drift when it's windy, or when anchoring isn't possible. [Connect to Hobie Anchor Trolley Kit for best results.]

1D. ANCHOR TROLLEY

Closed-loop line that runs the length of the rail—passing through bow and stern pulleys—that makes it easy to deploy your anchor, Drift Chute or Stake-Out Pole from the cockpit and then slide its attachment point fore or aft. Quickly change your upstream or downstream orientation to an anchor. Ties off via a cleat.

2. FISH FINDER PACKAGE

This state-of-the-art fish-finding kit—specially designed for kayak fishing—is a must-have for serious anglers. Our Fish Finder Package includes a Lowrance® X50 DS fish finder with Dual-Search 83/200 kHz technology, a RAM® mount, and a user-friendly installation kit. If you want to catch fish, you need this onboard.

3. RAM ROD TUBE

With the RAM Rod Tube, your rod is always at arm's reach. Great for trolling in both salt- and freshwater.

10

10. SAFETY FLAG

Spotting kayaks and kayakers from other boats is tricky because we sit so low on the water. Increase your visibility with this four-foot tall orange safety pole and pennant. Especially important in heavily trafficked areas.

4. GEAR BUCKETS

This drop-in tackle box is specially designed to integrate with Hobie's 8" Twist and Seal hatch to keep you organized. Keep your kit handy with a Gear Bucket.

5. ULTIMATE KAKAK NAVIGATION PACKAGE

Hobie's Navigation Package has you covered, whether you're pedaling through pea-soup coastal fog or investigating a new inland lake. Features a cutting-edge Lowrance GPS "iFINDER" H20, a RAM Mount and a Ritchie® Compass.

6. HOBIE LIVEWELL

The quiet-yet-capable Hobie Livewell is both efficient and effective. Features a high-flow, self-priming Attwood pump, a six-volt gel cell battery and charger, an adjustable drain and a tank capacity of eight gallons.

7. ROD HOLDER EXTENSION

Rod Holder Extensions fit into your boat's molded-in rod holders for added rod security. The unit's large-diameter sleeve is wider and deeper than the molded-in holder and can accommodate virtually any kit.

8. ROD LEASH

Replacing a lost rod is no trivial purchase; safeguard your investment with Hobie's Rod Leash. The quick-connect hook and heavy-duty, elasticized webbing are effective and unobtrusive.

9. SAFETY KIT

Fishing involves plenty of sharp objects, so be prepared with Hobie's Safety Kit. The 33-piece first-aid kit includes all of the essentials and fits into an 8" Twist and Seal hatch.

MIRAGE SERIES

OUTFITTER

Smooth, stable and built for two, the Outfitter is designed around a philosophy of utility, performance and ease-of-use. Onboard, little features such as molded utility trays, built-in drink holders, dual helm controls, or conveniently positioned rod holders make the Outfitter a pleasure to use, regardless of the destination. Whether it's a solo after-work session or a long weekend of float casting with a friend, the Outfitter boasts a wide, stable hull platform, dual MirageDrives and ample stowage space to keep you well provisioned and properly organized.

SPECS:

Length: 12' 8" / 3.86 m

ADVENTURE

A long waterline, a tidy beam and the ability to quickly cover ground typify the Hobie Adventure experience. This long, lean touring kayak allows you to fly through the water, and its deck's carefully positioned features, such as molded-in drink holders and mesh-covered stowage pockets, ensure a comfortable ride. New-model-year upgrades, such as a new rudder control and better lifting handles (compliments of the Tandem Island) make the boat even more of a pleasure to use, both on and off the water. The Adventure's speed, range, ample storage space and ease-of-use will open up a new world of touring possibilities.

SPECS:

ADVENTURE ISLAND

Fast, fun and versatile, the Hobie Mirage Adventure Island gives you options. Unbolt the akas and amas and you have a super-quick, super-fun kayak; attach the new Aka II die-cast crossbars and ama side floats, step the sailing rig and you have a stable sailing craft whose seafaring heritage stretches back to the South Pacific. A roller-furling, vertically battened mainsail makes reducing sail a snap, and the MirageDrive® provides power when the wind is light or when you're kayaking. A daggerboard prevents lateral slip, an upgraded rudder and rudder assembly provides plenty of helm control in a breeze and the amas easily fold parallel against the hull to simplify negotiating tight spots or docking.

STANDARD FEATURES:

- Hobie Mirage Adventure hull (stands alone as a 16' kayak when desired)
- MirageDrive with Turbo Fins
- Two color-coordinated amas
- Deck-mounted, detachable Aka II crossbars
- Fully battened, boomless mainsail
- Daggerboard
- Patented roller-reefing sail with full-length vertical battens
- Two-piece mast
- Full-length mast/sail storage bag
- Harken blocks
- All cordage and sailing hardware
- Oversized Twist and Stow rudder
- Two-piece paddle
- Adjustable high-back padded seat with inflatable lumbar support
- Large covered bow hatch with Bungee tie-downs
- Two 8" Twist and Seal hatches
- Gear bucket
- Stern cargo area with Bungee tie-downs
- Meets NMMA certification requirements for flotation

OPTIONAL FEATURES:

- Plug-in cart
- Dodger
- Aka Trampoline kit
- Navigation package
- Hobie eVolve powered by Torqeedo electric motor kit
- Aluminum trailer

SPECS:

Length: 16' / 4.88 m
 Mast Height: 15' 2" / 4.62 m
 Beam w/ Amas Out: 9' 4" / 2.84 m
 Beam w/ Amas Folded In: 42" / 1.06 m
 Sail Area: 57.5 ft² / 5.34 m²
 MirageDrive Weight: 6.6 lbs / 3 kg
 Sailing Weight: 115 lbs / 52.16 kg
 Max Load: 350 lbs / 159 kg
 Crew: 1
 Build Type: Rotomolded Polyethylene
 Designed by: The Hobie Cat Design Team

TANDEM ISLAND

Looking for a super-fun multisport boat for two? Meet the Hobie Mirage Tandem Island. In its most elemental form, the Tandem Island is a super-fast, two-person kayak. But attach the aka crossbeams, the ama floats and the two-piece carbon fiber rig and sailing kit (all included), and you and your partner will be flying across the water, powered by a roller-furling, boomless mainsail. Both cockpits have steering and sail-control lines, making the Tandem Island ideal for partners of all abilities. And the boat's generous storage space and carrying capacity means that your adventure potential is huge.

STANDARD FEATURES:

- Dual MirageDrives fitted with turbo fins
- Two-piece carbon-fiber mast
- Roller-furling, boomless mainsail
- Easily retractable/removable, color-coordinated amas
- Deck-mounted aka crossbars
- Built-in, fully retractable, kick-up centerboard
- Jumbo Twist and Stow rudder
- Fingertip steering control at both cockpits
- Sheets lead to both cockpits
- Two high-back padded seats with inflatable lumbar support
- Two-piece paddles with on-ama storage
- Harken blocks
- All cordage and sailing hardware
- Rear cargo compartment with Bungee tie-downs
- Large forward storage hatch
- Three 8" Twist and Seal hatches
- Two molded-in rod holders
- Four mesh-covered stowage pockets
- Four cup/bottle holders
- Two molded-in carrying handles
- Meets NMMA certification requirements for flotation

OPTIONAL FEATURES:

- Plug-in cart
- Spray Dodger
- Aka Trampoline kit
- Navigation package
- Hobie eVolve powered by Torqeedo electric motor kit
- Aluminum trailer

SPECS:

Length: 18' 6" / 5.64 m
 Ama Length: 13' 4" / 4.06 m
 Beam w/ Amas Out: 10' / 3.05 m
 Beam w/ Amas Folded In: 4' / 1.22 m

PRO ANGLER

Simply put, the Pro Angler is a no-nonsense fishing boat. The boat's fishing-specific hull form offers great stability, and its deck design is packed with the essentials— from an easy-to-reach cutting board, to the adjustable Cool Ride Seat, to space for 13 Plano® tackle boxes — for hundreds of perfect days afloat. The Pro Angler carries six of your rods in its horizontal rod-storage area, and its voluminous bow and stern lockers and on-deck storage provide an impressive 600-pound payload. The perfect boat for all fishing environments, from farm ponds to lakes to the open ocean.

SPECS:

Length: 13' 8" / 4.17 m
Width: 38" / 0.97 m
MirageDrive Weight: 6.6 lbs / 3 kg
Hull Weight: 88 lbs / 39.9 kg
Rigged Weight: 138 lbs / 62.6 kg
Capacity: 600 lbs / 272 kg

OPTIONAL FEATURES:

Plug-In cart, Livewell, Hobie eVolve powered by Torqeedo electric motor kit, Right-hand steering, Trailex aluminum trailer

COLORS:

Jackie Smith - NFL Hall of Fame

STANDARD FEATURES:

- Carrying handle
- Front hatch w/ removable liner
- Accessory mount
- Horizontal rod storage
- Mounting boards
- MirageDrive
- Floor mats
- Drainage scuppers
- Working area/cutting board
- Storage hatch
- Utility trays
- Fingertip steering
- Mid-boat carrying handles
- Mesh-covered stowage pockets
- Cool Ride seat
- Drainage scuppers
- Rod holders
- Cargo area w/ Bungee tie-downs
- 8" Twist and Seal hatch w/ gear bucket
- Rudder access
- Carrying handle

HOBIE eVOLVE POWERED BY TORQUEEDO

Whether you're augmenting your MirageDrive or using the Hobie eVolve as your primary power source, this quiet and efficient electric motor will dramatically expand your horizons. Maybe there's a ripping tidal current or a series of fast-flowing eddies that you must negotiate before reaching that pristine shoreline. Maybe it's a bay that's always been a *little* too far explore. Or maybe it's just been a long day and your tired muscles could use a break. Either way, the clean, quiet, eVolve system is there for you.

This tidy German-engineered electric motor kit fits any MirageDrive kayak and it comes with two mounting options—one midship, the other stern hung. With the Hobie eVolve, you can either maintain steady cruising speeds of two knots (motor only) for hours, or you can open the throttle for short sprints. Best yet, depending on your set-up, you can use the eVolve to augment your boat speed while also using your MirageDrive. And thanks to its cockpit-mounted Remote Throttle, you always know how much juice you have left in the system's 230wh Lithium-Manganese battery.

If you thought the MirageDrive made kayaking sweeter, wait until you try the eVolve system. Life only improves with power.

KIT INCLUDES:

- Ready-to-go Mirage well-mounted Hobie eVolve
- All cables for the motor and throttle units
- All mounting hardware
- Assembly that integrates the motor with a Twist and Stow rudder
- Sealed/Waterproof Lithium-Manganese high-performance battery (charger included)
- Remote throttle system displays speed and distance information generated by an onboard GPS unit
- Magnetic safety key
- Waterproof fittings and cable connectors
- Corrosion-resistant materials ensure durability and performance
- Lightweight power: Total weight of installed kit is 18 lbs (8.16 kg) or less, depending on the configuration

2 FOR 1

BOTH MOUNTS INCLUDED

For all Mirage Series except no Rudder Mount for Pro Angler and Inflatables

RUDDER POSITION MOUNT

The rudder-mounted eVolve is the ultimate tool for extending your range and exploration options. This slick system uses a lightweight aluminum assembly to easily integrate an eVolve motor with a Twist and Stow rudder. Pedal and motor; motor, or simply pedal. When off, the engine becomes your rudder or it can be brought on deck via the Twist and Stow controls. (Rudder Mount not included in kit for Pro Angler and Inflatables.)

MIRAGE WELL MOUNT

A clever option for mounting the eVolve motor package is to swap out your MirageDrive for this electric unit. Just slot the well-mounted Hobie eVolve into any MirageDrive kayak and instantly enjoy powered propulsion. Ready to use fresh out of the box, the Mirage-mounted eVolve weighs a scant 6.4 pounds—that's 0.2 pounds less than the MirageDrive—and is built to take years of exploration and adventure.

REMOTE THROTTLE

While the outboard might be transom-hung, the driver doesn't have to sit astern thanks to our Remote Throttle, which attaches via a RAM mounting unit (included) to provide throttle control from your favorite seating position. The LCD screen displays all the trip info you need (such as speed and range) while you're underway. For safety, the unit features a magnetic key-to-throttle connection; break this magnetic connection and the motor immediately stops.

LITHIUM BATTERY

A lightweight, 6.6-pound, 230wh Lithium-Manganese battery (8Ah at 28.8V) powers the system's featherweight Torqeedo motor. The battery is buoyant and completely waterproof, ensuring safety and there-when-you-need-it performance. Its built-in GPS unit generates pertinent information such as speed and range.

THE NOBIE PADDLE SERIES

LANAI

Return to the tradition and simplicity of a paddle-powered kayak with the innovative Hobie Lanai. The Lanai combines the best attributes of smaller kayaks, including maneuverability, acceleration, and skinny-water access, with the stability usually found in far bigger boats. At only 9-feet, the Lanai is ideally suited to shorter paddlers, but it also delivers a full-value experience to taller kayakers as well. Best yet, the Lanai is a snap to put atop a car, on a boat's deck, or even a bicycle trailer, giving you serious versatility.

SPECS:

Length: 9' / 2.74 m

Width: 30" / 0.76 m

Hull Weight: 43 lbs / 19.50 kg

Capacity: 325 lbs / 147 kg

OPTIONAL FEATURES:

Bimini, Plug-in cart

COLORS:

STANDARD FEATURES:

PADDLE SERIES

MAUI

Quick, stable, and fun best describe the Maui. But stackable is a fourth element that's especially important for families or groups. You'll be amazed at the space you can save by stacking boats, but more importantly, you'll be amazed at how much *fun* the Maui is to paddle. So whether your day's agenda includes surfing breaks, diving, or racing your friends and family back to the dock, the Maui gives you the ability to do it all.

SPECS:

Length: 11' / 3.35 m

Width: 30" / 0.76 m

Hull Weight: 48 lbs / 21.77 kg

Capacity: 325 lbs / 147 kg

OPTIONAL FEATURES:

Bimini, Plug-in cart

COLORS:

STANDARD FEATURES:

Meets NMMA certification requirements for flotation

QUEST

The Hobie Quest combines two ancient arts—fishing and paddling—in this purpose-designed kayak. The Quest also incorporates a stable hull design and the features fishermen need: Covered bow and stern stowage compartments, ample space for coolers, tackle boxes or camping gear and molded-in rod holders. A large rear cargo area provides storage for extra tackle, crate systems, or a Hobie Livewell. Plus, the Quest can be fitted with Hobie's optional Twist and Stow rudder system, simplifying boat handling and allowing you to quietly approach choice casting grounds.

SPECS:

Length: 13' / 3.96 m

Width: 28.5" / 0.72 m

Hull Weight: 58 lbs / 26.31 kg

Capacity: 350 lbs / 159 kg

OPTIONAL FEATURES:

Twist and Stow rudder system, Bimini, Plug-in cart, Hobie eVolve powered by Torqeedo electric motor kit

COLORS:

STANDARD FEATURES:

- Carrying handle
- Large covered bow hatch
- Scuppers
- Adjustable foot braces
- Accessory tray
- Scuppers
- Drink holder
- Mesh-covered stowage pockets
- 8" Twist and Seal hatch w/ gear bucket
- Two-piece paddle w/ on-hull storage
- Adjustable deluxe padded seat
- Scuppers
- Rod holders
- Large cargo area w/ Bungee tie-downs
- Location for optional 8" hatch
- Carrying handle
- Meets NMMA certification requirements for flotation

KONA

With room for two, plenty of stability and the nimble, spot-on performance normally found on a single-seater, the Kona is the perfect two-person paddleboat. Thanks to its clever design, the Kona pairs a short waterline with the width normally found on bigger boats, giving you a stable ride and snappy, on-a-dime maneuverability. And if your partner unexpectedly bails out on your paddling plans, the Kona easily converts to a single seater, preserving your options.

SPECS:

Length: 11' 6" / 3.51 m

Width: 34" / 0.86 m

Hull Weight: 62 lbs / 28.12 kg

Capacity: 450 lbs / 204 kg

OPTIONAL FEATURES:

Bimini, Plug-in cart

COLORS:

STANDARD FEATURES:

Meets NMMA certification requirements for flotation

ODYSSEY

The redesigned Hobie Odyssey is the perfect family oriented, go-anywhere, do-everything paddle kayak. Featuring a long, sleek waterline, a stable hull, great tracking and the ability to haul 540 pounds—plus plenty of on-deck gear storage—the Odyssey opens up worlds of fun. While this fully redesigned hull accommodates two, it can be paddled by one using the molded-in center-seat position. Or, this center-seat area can be used to tote along a junior crew member, extra gear or even the family hound.

SPECS:

Length: 14' / 4.27 m

Width: 33" / 0.84 m

Hull Weight: 69 lbs / 31.30 kg

Capacity: 540 lbs / 245 kg

OPTIONAL FEATURES:

Bimini, Plug-in cart

COLORS:

STANDARD FEATURES:

Meets NMMA certification requirements for flotation

HOBIE KAYAK ACCESSORIES

MIRAGE SAIL KIT

Comes with two-piece mast, a 20.25 ft² sail, cordage, fittings and a storage bag.
 #84513001 – Turquoise/Papaya
 #84514001 – White/Red
 #84515001 – White/Turquoise
 #84516001 – Silver/White
 #79052203 – i Series Sail – White/Turquoise
 #79052203 – i Series Sail – Silver/White
**i Series kits include a four-piece mast*

LIFE VEST

Stay safe with approved PFDs. High-quality construction available in several models and colors to fit you and your Hobie style!

CHILD/YOUTH LIFE VEST

Keep the little ones safe with approved and easily adjustable life jackets.
 #SBV3120YEL (30 to 50 lbs)
 #SBV3122YEL (50 to 90 lbs)

MIRAGEDRIVE STOW BAG

Protect your MirageDrive...and other goods in your car from the drive! This heavy-duty Cordura and mesh bag fits the complete MirageDrive with standard fins or the ST Turbo length.
 #80024 – MirageDrive Bag

BIMINI

Shelter yourself from the sun and stretch your playtime with this collapsible bimini. Fits most Hobie models.
 #72700 – Bimini/Charcoal
 #72701 – Bimini/Blue
 #72702 – Bimini/Green
**Requires Mounting Kit*

MIRAGE DODGER

The Hobie Mirage Dodger helps keep you dry when the chop is up, or during stormy kayaking trips.
 #72721 – Silver
 #72722 – Yellow
 Fits Sport, Outback, Revolution and Adventure
 #72730001 – Yellow/Adventure Island
 #72730002 – Silver/Adventure Island

HATS

Shade your eyes, Hobie style. Featuring our iconic "Flying H" logo, this hat will keep you looking good, no matter the venue.
 #5018GM – Grey Mesh
 #5018RM – Red Mesh
 #5018BK – Black/Red
 #5018BL – Blue/Gold

SUNGLASSES

Never miss another wind shift, wave set or fish strike with Hobie's Polarized Sunglasses. These stylish shades help you see better by eliminating glare.
 #1563BLK – Oceanside
 #1562BLK – Playa

T-SHIRT

Support the home team with these colorful and stylish t-shirts. Available in different sizes, colors and designs.
 See Accessories Catalog

HOBIE LUGGAGE

Popular Hobie luggage items. A backpack, rolling duffel and an expandable rolling suitcase are just the thing for the Hobie traveler!

WATERWEAR

It's simple math: match your clothing to the conditions and you'll have more fun. Hobie Waterwear is ideal for sailing and kayaking adventures, and allows you to dial in the right layering combinations. Hobie spray jackets, Lycra® rash guards and wetsuits can be found in the accessories catalog.

ROOF RACK PADS

Keep your boats looking sharp with Hobie's Roof Rack Pads. Split-bottom design with Velcro™ closure system ensures easy-on, easy-off operation.
 #72045-24" Roof Rack pads (Pair)
 #72046-36" Roof Rack pads (Pair)

TIE-DOWN STRAPS

Keep your boat where you put it with these strong and durable tie-down straps. Metal fasteners make it easy to secure boats without prerequisite knot-mastery skills.
#72042 – 12' Tie-Downs (Pair)
#72043 – 15' Tie-Downs (Pair)

GEAR BUCKET

Clever design allows you to safely store your fishing tackle in this plastic bucket. Fits into 8" Twist and Seal hatches to keep you organized.
#71704001-Hobie Gear Bucket

PLUG-IN HEAVY-DUTY CART

Highest-capacity cart with very durable knobby wheels. Welded stainless steel frame. Wheels are easily removable for storage. Also includes cart keeper feature and cart clamps. (225 lbs capacity).
#80046001 – Heavy Duty Cart
Other carts available for different terrain.

SAFETY KIT

Hobie's Safety Kit gives you a wide range of tools to get out of tight spots. Includes a 33-piece first-aid kit, waterproof flashlight, signal mirror, space blanket, whistle, utility tool, and most importantly, duct tape.
(Specific items subject to change.)
#7200010 – Hobie Safety Kit

RECREATION PACKAGES

MIRAGE PERFORMANCE PACKAGE

ST Turbo fins, large rudder, Speedo Tube
#72020024 – Mirage Performance Package

TRAVEL PACKAGE

Standard plug-in cart, tie-down straps, roof rack pads
#72020025 – Travel Package

SAFETY PACKAGE

Hobie Safety Kit, Safety flag, HydroStar light
#72020026 – Safety Package

ULTIMATE KAYAK NAVIGATION PACKAGE

Lowrance GPS, RAM GPS mount, Ritchie Compass
#72020027 – Navigation Package

HOBIE FISHING ACCESSORIES

LIVEWELL

This clever, quiet, 8-gallon unit is custom designed to work with the Hobie Outback, Sport, Revolution, Adventure and Pro Angler. Accommodates three rods, and comes fully assembled (including batteries and charger).

#72020007 — Hobie Livewell

T-SHIRT

Loyalty starts at your dresser drawer. Multiple designs and colors available to fit your lifestyle.

#5131XX
(XX=size)

HOBIE TRAILER TRAILERS

This lightweight aluminum trailer system can be ordered in three different configurations to accommodate up to four boats. Aluminum construction ensures corrosion resistance, and a sturdy build delivers a smooth, dependable ride.

#38652000 — Single
#38652200 — Double
#38652210 — Tower

ROD HOLDER EXTENSION

Easily slides into your boat's existing molded rod holders to add security, and to help hold reels higher above the water.

#72020014 — Hobie Rod Holder Extension

ANCHOR KIT

Stay put when you want to with this three-pound folding anchor. Kit includes 60 feet of line and a zippered stowage bag with end clips.

#80035A — Anchor Kit

HOBIE DRIFT CHUTE

Perfectly control your drifting speed with this handy sea anchor.

#72020009 — Hobie Drift Chute

HOBIE ROD LEASH

It's one thing if "the big one" gets away; it's a different story if you lose your favorite rod. Secure it with this leash.

#74052001 — Hobie Rod Leash

HOBIE GEAR KEEPER

Tools, keys, cell phones — they all sink. Quickly. Keep them on lock-down with a Hobie Gear Keeper.

#72020001 — Hobie Gear Keeper
#72020000 — Small Hobie Gear Keeper

GEAR BUCKET

The ultimate utility tray. Perfectly organizes tackle, tools, parts and easily fits into existing 8" Twist and Seal hatches.

#71704001 — Hobie Gear Bucket

LARGE RUDDER

If you sail or kayak in choppy or windy conditions, or if you're simply looking for better boat control, Hobie's Large Rudder is your answer. Compatible with Hobie's Twist and Stow rudder system.

#81397001 — Large Rudder
#81395201 — Small Rudder

ANCHOR TROLLEY KIT

Clever messenger-cable system easily allows you to set your anchor, deploy your sea anchor or Stake-Out Pole from the cockpit. Makes it a cinch to perfectly position your boat without having to shimmy forward or aft to fasten lines.

#72020008 — Anchor Trolley Kit

STAKE-OUT POLE

Hold your position in shallow water with this vertical anchor. Just drive the pole into a sandy or muddy bottom and secure it to your bow, stern or Anchor Trolley Kit.

#72076001 — Stake-Out Pole

SIDEKICK

Perfect for anyone seeking more stability. Fits all Hobie kayaks and works with most other kayak designs as well.

#72062101 Sidekick Ama Kit – Light Grey
#72063101 Sidekick Ama Kit – Dark Green

HUNTING ACCESSORIES

Organize your gun kit and make yourself and your boat virtually disappear with Hobie's hunting accessories. It's the next best thing to an invisibility cloak.

#72020013 — Gun Mounts
#72720 — Dodger Camo (fits Outback and Pro Angler)

INFLATABLE PFD

Amp up your safety factor with this manually inflating PFD. Low profile.

#S6779RG — Red/Grey
#S6779TG — Tan/Grey

MIRAGE ST TURBO KIT

Boost your cruising and sprinting speeds with these bigger, sleeker fins. Compatible with all MirageDrives.

#72065 — Mirage ST Turbo Kit
#72066001 — V2 Version(2009 and newer)
**Includes two fins and two longer masts.*

FISHING PACKAGES

ULTIMATE FISHING PACKAGE

Fish Finder package, Hobie Gear Bucket (3 packs), RAM Tube Rod Holder, Anchor Trolley Kit, (2) Hobie rod holder extensions, (2) Rod leashes

#72020021 — Ultimate Fishing Package

FISH FINDER PACKAGE

Includes X 50 DS Fish Finder, Ram Mount and Hobie installation kit (kayak specific).

#72020020 — Fish Finder Package

FLY FISHING PACKAGE

Hobie Sidekick, Ram fly-rod holder, Hobie Gear Holder

#72020022 — Fly Fishing Package

KAYAK CUSTOMIZATION PACKAGE

Customize your kayaking experiences by swapping out the standard stock thread-in fittings with these aftermarket models. Looks cool and adds ease-of-use.

#72020023 — Kayak Customizing Package
